

Zar S.D. Az

2011 breeding season is just around the corner.

Zar, a red chestnut, has a wonderful disposition and an incredible "regal" attitude, great confirmation with just the right amount of controllable brio, and a locked in gait. This stallion has acquired many ribbons, trophy's along with the Harry Bennet award in many different divisions; Halter, pleasure, gait, and breeding. His Get are inheriting the gait and the noble ways of this great stallion.

If you are interested in a breeding or more information please call or email:
